Sharecare offers telephonic tobacco cessation coaching programs to assist SHBP members and their dependents to quit using tobacco products. SHBP members are allowed to participate in tobacco cessation coaching at no additional cost to them. ### **Qualifying Events**

Members currently paying the tobacco surcharge due to a covered dependent (spouse or child) utilizing tobacco who experience a qualifying event may be eligible to have the tobacco surcharge removed if no other covered dependent is utilizing tobacco.

To be eligible for a refund of 2021 tobacco surcharges paid prior to the qualifying event, the tobacco user must have completed all Tobacco Surcharge Removal Requirements prior to the qualifying event. If the tobacco user did not complete all of the Tobacco Surcharge Removal Requirements prior to the qualifying event, then the member must complete all of the requirements outlined in the Non-Tobacco User Surcharge Removal Policy to be eligible for a refund of the tobacco surcharges paid in 2021.
