- Your employees' may also visit the SHBP website and select the “Log in or Enroll” icon (or visit the Enrollment tab) that takes them directly to the SHBP Enrollment Portal: <https://shbp.georgia.gov/>.
- Please remind your Employees that they **can** elect coverage online with their mobile devices (e.g., smartphones, iPads, etc.).

For Retired Teachers returning to Employment: Per HB 385, If a retired teacher returns to employment and wants to continue receiving their annuity, you as the employer should report the employee as benefits ineligible.

III. Employees & Retiring Employees Responsibilities

Your Employees' Responsibilities

- **Employees should read and make sure they understand the information in the Active Member Decision Guide and Plan Documents** posted on the SHBP website
<https://shbp.georgia.gov/plan-documents>.
- **Employees should review the 2024 Rates and Plan Options** posted on the SHBP website
<https://shbp.georgia.gov/active-rates>.
- **Employees should confirm that they answered the Tobacco Surcharge question appropriately.** If no election changes are made and the Employee previously answered yes, the Tobacco Surcharge will carry over to the 2024 Plan Year.
- **Employees should check their payroll deduction** to verify that the correct deduction amount has been made each month.
- **Employees should update any changes in their contact information** by notifying their HR Department.

Your Employees' Responsibilities (continued)

- **Employees should know if they: 1) make an election effective in Plan Year 2023 as a New Hire (New Hire event) or 2) declare a Qualifying Event resulting in a new election effective in Plan Year 2023 during the Open Enrollment window, the New Hire or Qualifying Event election will override the Open Enrollment election for Plan Year 2024, unless:**
 - On the confirmation page after making the New Hire or Qualifying Event election, the employee follows the automated prompt in the SHBP Enrollment Portal and makes a subsequent change to their Open Enrollment election for Plan Year 2024 (even if they previously made their Open Enrollment election prior to the New Hire or Qualifying event).
 - **Note:** if an employee's hire date occurs after November 1, 2023, they will only receive an Open Enrollment Window. A New Hire Window will not appear.

Your Employees' Responsibilities (continued)

- **Employees should upload their Dependent Verification documentation directly into the SHBP Enrollment Portal for newly added Dependents no later than December 5, 2023 to ensure they receive ID Cards prior to January 1, 2024.**
 - Courtesy Dependent Verification Notification Letters and/or emails will also be sent to your employees who add new dependents. If they do not receive a letter or email, they should contact their HR Department to ensure SHBP has the correct address and/or email address on file if they do not receive a letter or email.
 - Your employees have 45 days to provide Dependent Verification Documentation to SHBP after enrolling their Dependent in SHBP coverage.
 - Failure to provide valid Dependent Verification documentation for newly added Dependents by **December 5, 2023** will result in delays in receipt of ID cards to sometime in January 2023, so please encourage your employees to upload their Dependent Verification documentation directly into the SHBP Enrollment Portal by **December 5, 2023**.

Your Retiring Employees' Responsibilities

- **Employees retiring on January 1, 2024 who are not currently enrolled in the SHBP cannot carry coverage as a SHBP retiree** (i.e., Employees must enroll during Open Enrollment *the year prior to their retirement*).
- **Employees who make a change during Open Enrollment but retire before the change can become effective on January 1**, will remain in their current elections, plan option/tier prior to Open Enrollment or waiver of coverage status, with covered or no covered dependents, as applicable.
- **Employees planning to retire must update their email address** in the SHBP Enrollment Portal from their former work email address to a personal or other email address so they can receive SHBP email notifications. Otherwise, email notifications will continue to be sent to their former work email address.
- **Employees planning to retire must update their physical address and phone number** so they can receive hard copies of SHBP notifications. Otherwise, notifications will continue to be sent to an inaccurate address and we will be unable to contact them via phone.

Your Retiring Employees' Responsibilities (continued)

- **Employees planning to retire should:**
 1. **Review the SHBP Planning to Retire Presentation** on our website at <https://shbp.georgia.gov/planning-retire>
 2. **Review SHBP Retiree Decision Guide** on our website at <https://shbp.georgia.gov/retiree-option-change-period>.
 3. **Determine the Subsidy policy they are subject to**, i.e., the Annuitant Basic Subsidy Policy or Annuitant Years of Service Subsidy Policy at <https://shbp.georgia.gov/retiree-rates>.

IV. Dependent Verification

Dependent Verification

In this section of the presentation, *Dependent Verification*, we will discuss the following:

- ❖ Dependent Verification Process
- ❖ Pended Events
- ❖ Non-Pended Events
- ❖ Pending Dependent Report

Dependent Verification Process

- **Pending Status:** Dependents are Not Added to coverage until the Member provides verification of their Dependent's eligibility. Dependents awaiting approval are placed in a PENDING status.
- **Premium Billing:** SHBP Does Not bill Employers for Dependents until the verification documentation has been received and approved. *Therefore, Employers should not bill Active Members for a Plan Option and/or Tier change until it is adjusted on their Premium Billing Report (BRP).* Dependents will appear on the next Premium Billing Report (BRP) after their effective date.
- **Approvals:** If Dependent's verification documentation is approved, they will be added to Member's coverage in the SHBP Enrollment Portal and Third-Party Administrators* system as of the effective date, in accordance with SHBP Rules and Regulations.
- **Failures:** If Dependent fails the verification process, the Employer's bill is not impacted.

*Note: Files are transmitted to Third Party Administrators twice a week.

Dependent Verification Process (continued)

Pended Events

Below is a list of all Events that Pend in the SHBP Enrollment Portal until the Active Member or eligible employee provides documentation that meets SHBP's list of approved verification documents or until the deadline to provide the documentation has passed, whichever occurs first. This means the Plan Option and/or Tier will not change in the SHBP Enrollment Portal or in the Third Party Administrators medical system.

- | | |
|--|---|
| 1. Marriage | 6. Lose Group Coverage Elsewhere |
| 2. Divorce | 7. Dependent(s) Gain Medicaid |
| 3. Gain Guardianship | 8. Dependent(s) Loses PeachCare or Medicaid |
| 4. Lose Guardianship | 9. Open Enrollment / Retiree Option Change Period |
| 5. Gain Coverage Elsewhere Due to Dependent's Employment or Employer's Open Enrollment | |

Dependent Verification Process (continued)

Non-Pended Events

Below is a list of all Events that Do Not Pend in the SHBP Enrollment Portal, meaning coverage is added immediately prior to the Active Member or eligible employee providing verification documentation. This means the Plan Option and/or Tier will change in the SHBP Enrollment Portal and the change will be transmitted via file to SHBP TPAs.

- Birth
- Adoption
- Death of Dependent

If the Member fails to subsequently provide the required verification documentation, a retroactive change to the Plan Option and/or Tier, if applicable, will appear on the:

- Employer's Proof Bill next business day, and
- Employer's Premium Billing Report (BRP) in 1 to 2 billing cycles.

Pending Dependent Report

The Pending Dependent Report's is very helpful in determining the status of your Employees recently declared Qualifying Events that require proof documentation.

- **Report Includes:** 1) SHBP Members and eligible employees requesting to enroll or disenroll from Coverage, and 2) SHBP Members with pending dependent(s) to be added or removed from Coverage due to a Qualifying Event.
- **Naming Convention:** Reports will be named SHBP_(Payroll Location Number)_(YYYY)_Pending_Dependents_(MMDDYYYY)_(Seq#).csv
- **Data Cutoff:** This report is produced weekly and posted to Employers' Payroll Location(s) in the State Health Repository Tool (SHRT) each Monday. The report contains data up to the end of the day on Sunday.

Pending Dependent Report (continued)

Employee Data will fall off the report when one of the following occurs prior to the cutoff:

- The employee has successfully provided the correct verification documentation for their dependent(s); has been approved by the DVS unit; **and** coverage has been updated in the SHBP Enrollment Portal.
- The employee has failed to provide the correct verification documentation for their dependent(s) within the time period allowed.
- The employee's dependent(s) failed the audit.

Employee Data will remain on subsequent reports if one of the following applies prior to cutoff:

- The employee has successfully provided the correct verification documentation for their dependent(s); has been approved by the DVS unit, **but** their coverage has not yet been updated in the SHBP Enrollment Portal. This can take 2-3 business days after an Audit is complete.
- The employee has taken no action on the DVS Audit and it is still open.

Pending Dependent Report (continued)

- **Reconciliation:** Employers should review the report each week and reach out to their affected employees to encourage them to take action on the open DVS Audit.
 - If you do not have a report in your SHRT folder, it means that you do not have any employees with outstanding pending dependents.
 - SHBP will not bill Employers for Pending Dependents until proof documents have been provided for addition to or removal from coverage.
 - Pending Dependents are not discrepancies so please do not submit them on your Discrepancy Report as no action will be taken.
