| Important Questions  | Answers  | Why This Matters:  |
|--|--|--|
| What is the overall deductible?                                      | Fo <u>r</u> network providers: \$1,300 You<br>\$1,950 You + Spouse or Child(ren)<br>\$2,600 You + Family. For <u>out-of-network providers</u> : Not Covered      | Generally, you must pay all of the costs from providers up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .   |
| Are there services covered before you meet your deductible?          | Yes. Preventive care and primary care services are covered before you meet your deductible.  | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .                                     |
| Are there other deductibles for specific services?                   | No.  | You don't have to meet deductibles for specific services.  |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | For <u>network providers</u> \$4,000 You<br>\$6,500 You + Spouse or<br>Child(ren)/\$9,000 You + Family;<br>for <u>out-of-network providers</u> : not<br>covered. | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the out-of-pocket limit?                     | Copayments for certain services, premiums, balance-billing charges, and health care this plan doesn't cover.   | Even though you pay these expenses, they don't count toward the out-of-pocket limit.   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See  www.anthem.com/shbp or call 1-855-641-4862 for a list of network providers.  | This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.  | You can see the specialist you choose without a referral.  |
