Dear State Health Benefit Plan Retiree,

Welcome to the State Health Benefit Plan (SHBP) 2023 Retiree Option Change Period (ROCP). Thank you for the service that you, our retired teachers, public school and state employees, provided to so many Georgians.

For the 2023 Plan Year, I am happy to share that SHBP will continue to provide retirees with the same high-quality plan designs that we offered in Plan Year 2022, as follows:

For our Medicare eligible retirees age 65 or older, the Medicare Advantage Standard and Premium Plan options will continue to be offered by Anthem Blue Cross and Blue Shield (Anthem) and UnitedHealthcare.

For our pre-65 retirees, we will continue to offer the Gold, Silver, and Bronze Health Reimbursement Arrangement Plan Options offered by Anthem, the High Deductible Health Plan option offered by UnitedHealthcare, the statewide Health Maintenance Organization options offered by Anthem and UnitedHealthcare, and the regional HMO option offered by Kaiser Permanente.

SHBP offers two ways to make your elections during the ROCP beginning Monday, October 17, midnight ET through Friday, November 4, 2022, 11:59 p.m. ET:

1. Online in the SHBP enrollment portal at mySHBPga.adp.com or
2. By contacting SHBP member services at 800-610-1863 during its extended hours for ROCP: Monday - Friday from 8:30 a.m. to 7:30 p.m. ET.

I encourage you to take advantage of the flexibility that the portal offers, including 24-hour access, 7 days per week during the ROCP. Or, if you would prefer to speak with someone, contact SHBP member services.

I understand that you have important decisions to make for yourself and your family. Use every resource available, including the Decision Support Tools in the portal, the SHBP Plan Documents at shbp.georgia.gov, and our partners at Anthem, Kaiser Permanente, and UnitedHealthcare, whom we thank along with CVS Caremark, Sharecare, and our outstanding healthcare professionals for all they do in **Shaping the Future of A Healthy Georgia**.

Sincerely,

WELCOME

TO THE RETIREE OPTION CHANGE PERIOD

Greetings,

Let me welcome you to the Georgia Department of Community Health (DCH) State Health Benefit Plan 2023 Retiree Option Change Period (ROCP). Thank you for the service that you, our retired teachers, public school and state employees, provided to so many Georgians.

Starting on Monday, October 17, midnight, ET through Friday, November 4, 2022, at 11:59 p.m. ET, you will have the opportunity to either continue your current Plan Option or enroll in a different plan that best fits your needs and those of your family.

This 2023 Retiree Decision Guide is a vital resource to assist in your decision-making. It outlines your choices including Plan Option details, comparison charts, and important information that will become effective January 1, 2023 and continue through December 31, 2023.

If you elect not to make any changes during the annual ROCP, your current coverage will remain in effect. Even if you elect not to make changes, it is a good idea to review your contact and enrollment information to ensure that it is correct. Additionally, you may view the 2023 plan documents and other useful information regarding SHBP on our website at shbp.georgia.gov.

On behalf of Governor Brian Kemp, DCH Commissioner Caylee Noggle, the Board of Community Health and the entire SHBP family, I encourage you to explore and carefully choose the Plan Option that will meet your unique needs in 2023.

I look forward to supporting you as we continue **Shaping the Future of A Healthy Georgia** by providing access to quality healthcare benefits for SHBP retirees.

Sincerely,

Louis A. Amis
Executive Director, SHBP

Anthem: Members enrolled in an Anthem HRA Plan Option will receive SHBP-funded base credits at the beginning of the Plan Year. The amount funded will be based on the member's elected coverage tier. If a member enrolls in an HRA during the Plan Year, these credits will be prorated based on the elected coverage tier and the months remaining in the current Plan Year. In addition, members and their covered spouses can earn points for participating in the Be Well SHBP® well-being program.

KP: Members enrolled in the KP Regional HMO Plan Option and their covered spouses will each receive a \$500 reward card after each covered member satisfies KP's Wellness Program requirements.

UnitedHealthcare: Members and their covered spouses enrolled in a UnitedHealthcare Commercial (active non-MA) Plan Option will each receive \$250 UnitedHealthcare Reward Card after satisfying all Be Well SHBP® well-being program requirements and redeeming their points for either well-being incentive credits or a \$150 Sharecare Visa Prepaid Card through the Sharecare Redemption Center.

New Identification Cards

All UnitedHealthcare members, Anthem Commercial (active non-MA members), Anthem MA members, and new Kaiser Permanente members active and pre-65 retiree (non-MA) will receive new identification cards before January 1st.

Social Security Number (SSN) or other Taxpayer Identification Number (TIN)

All members must provide SHBP with their Taxpayer Identification Number (TIN) for themselves and their enrolled dependents upon enrolling in SHBP coverage. The most common type of TIN is a Social Security Number (SSN), but for individuals who are not eligible for an SSN, members may submit an Individual Taxpayer Identification Number (ITIN) or Adoption Taxpayer Identification Number (ATIN). Failure to submit a TIN will result in a loss of coverage and no refund will be issued. For more information, please visit the Invalid/No Social Security Number (SSN) FAQs on the SHBP website: shbp.georgia.gov/invalidno-social-security-number-ssn-faqs.

The requirement to provide an SSN or other TIN is a separate process from Dependent Verification. Dependents whose coverage is terminated due to providing an invalid SSN or no SSN are not eligible for coverage even if they passed the Dependent Verification process, as they have failed to provide a valid SSN to SHBP.

Members should provide their dependent's SSN by entering it directly into the SHBP Enrollment Portal at myshbpga.adp.com or by calling SHBP Member Services at 800-610-1863.

Dependent Verification

Certain Qualifying Events (QE) are opportunities for eligible employees employed with SHBP Employing Entities to enroll themselves and/or add eligible dependents to their coverage. SHBP requires documentation for QEs and to confirm the eligibility of newly added dependents to be covered under the Plan. Please see the Eligibility & Enrollment Provisions at shbp.georgia.gov for the acceptable documentation. If you elect to cover dependents, generally, they will be placed in a pending status until: 1) the required documentation confirming eligibility for coverage is submitted within 45 days after you declare the QE and the documentation is approved, or 2) until the deadline to provide the documentation has passed and the QE is automatically canceled, whichever occurs first.

There's Still Time to Earn 2022 Points

Anthem Blue Cross and Blue Shield (Anthem) and UnitedHealthcare Commercial (Active Non-MA) Plan Options: Members and their covered spouses currently enrolled in Anthem and UnitedHealthcare Commercial Plan Options who have not completed the required health actions or have not taken any actions have until November 30, 2022, to:

- Complete all required actions,
- Submit the 2022 Physician Screening Form to earn the 2022 well-being incentive credits, and
- All submissions must be received by Sharecare no later than November 30, 2022.

If you have questions or need help getting started, visit BeWellSHBP.com or contact Sharecare at 888-616-6411.

Kaiser Permanente: Members and their covered spouses currently enrolled in the KP Regional HMO Plan Option have until November 30, 2022, to complete all four wellness activities to receive a \$500 reward card. Visit KP's website at my.kp.org/shbp or contact KP's wellness program customer service at 866-300-9867 for details, if you have questions or need help getting started.

2022 Rollover Credits for Commercial (active non-MA) Plan Options: Regardless of what Plan Option you select, all unused well-being incentive credits earned in 2022 will automatically roll over to the 2023 Plan Option you choose during Open Enrollment. SHBP will deposit your unused credits in the incentive account associated with your 2023 plan selection in April 2023. If you remain with the same Medical Claims Administrator and in the same Plan Option in which you were enrolled in 2022, rollover credits will be available immediately.

Important Reminder: Remember to redeem points before transferring into a Medicare Advantage Plan, as points are not automatically redeemed and transferred for Medicare Advantage members.

2022 Rollover Credits from Commercial (Active Non-MA) Plan Options to Medicare Advantage (MA) Plan Options:

Any unused wellness credits will remain in your Health Reimbursement Arrangement (HRA), Health Incentive Account (HIA), MyIncentive Account (MIA) or Kaiser Permanente Rollover Account (KPRA) for a six-month run-out period, to allow for prior plan's claims processing.

If you have a balance of 100 credits or more in your HRA, HIA, MIA or KPRA after being enrolled in MA for at least six months, and are not in a split option, an individual Retiree Reimbursement Account (RRA) will be set up by your Medicare Advantage Plan Administrator, Anthem or UnitedHealthcare. Credits remain with the Commercial (active non-MA) Plan Option if you have a spouse and/or dependent(s) who is still on that plan. If there are any credits remaining once the last Commercial member moves to Medicare Advantage, the credits will follow that member. Once you move over to a Medicare Advantage Plan Option, you are no longer eligible to earn points with Sharecare.

The MA claims administrators will reimburse you for covered out-of-pocket expenses to the maximum balance in the Retiree Reimbursement Account (RRA).

Telemedicine/Virtual Visits

Telemedicine/virtual visits is a benefit that is available to SHBP members under all Plan Options. Telemedicine allows healthcare professionals to evaluate, diagnose and treat patients using telecommunication technology. Through your plan's participating telemedicine/virtual visit providers, you will be able to see and/or talk to a participating provider from your mobile device, tablet or computer with a webcam while at home, work or on the go. Please see the Benefits Comparison Charts in this Decision Guide or contact the Medical Claims Administrators if you have questions.

Summary of Benefits and Coverage (SBC) for Commercial (Active Non-MA) Plan Options

SHBP provides Summary of Benefits and Coverage (SBC) for the following Commercial Plan Options: Health Maintenance Organization (HMO), Health Reimbursement Arrangement (HRA) and High Deductible Health Plan (HDHP). SBCs include standard information that help you to understand, evaluate and compare the Plan Options as you make decisions about which Plan Option to choose.

ACTION ALERT

If you or your enrolled dependent(s) experience a Qualifying Event (QE) during the Plan Year that results in coverage under a new identification (ID) number or a change in Plan Option and/or vendor, your well-being incentives will be forfeited. The deductible and out-of-pocket maximum will not be transferred.

For members enrolled in a Health Reimbursement Arrangement (HRA) Plan Option, if you are moving to a new HRA ID number and/or HRA Plan Option, the HRA base funding will be prorated based on the elected coverage tier and the months remaining in the current Plan Year. Deductibles, out-of-pocket maximums and any well-being incentive balances are not prorated nor transferrable.

For additional information, please reference the Eligibility & Enrollment Provisions at shbp.georgia.gov.

The State Health Benefit Plan (SHBP) has two subsidy policies that determine the amount of subsidy Annuitants (Retirees) will receive from the SHBP to cover the cost of their premiums. The amount of the subsidy a Retiree receives from SHBP lowers the monthly premium amount Retirees pay for their SHBP coverage.

Annuitant Basic Subsidy Policy (Basic Policy)

Under the Annuitant Basic Subsidy Policy, the monthly premium amount a Retiree pays for SHBP coverage is the same across all Plan Options but the percentage varies as the costs of Plan Options vary.

You are subject to the Basic Subsidy Policy if:

1. You were not an active employee on January 1, 2012, but were an Annuitant receiving a retirement check from a State retirement system – ERS or TRS and enrolled in SHBP retirement coverage on January 1, 2012; or
2. You were not an active State employee on January 1, 2012, but were a former State employee with eight years of service and enrolled in state extended SHBP coverage on January 1, 2012; or you were not an active Teacher or Public School employee on January 1, 2012, but were a former teacher or public school employee with eight years of service in a State retirement system but could not retire due to age and enrolled in state extended SHBP coverage on January 1, 2012; or
3. You were an active employee that on January 1, 2012 had five years of service in the State retirement system from where you will receive an annuity (ERS or TRS).

Annuitant Years of Service Subsidy Policy (YOS Policy)

Under the YOS Policy, the monthly premium amount a Retiree pays for SHBP coverage depends on the number of years of service reported to SHBP from the retirement system (ERS or TRS) in which the Retiree is eligible to receive an annuity.

You are subject to the YOS Policy if on January 1, 2012, you did not have five years of service in the State retirement system from where you will receive an annuity. The subsidy percentage for each member increases with every year of service beginning at 10

years through 30 or more years. Members with 0–9 years of service (i.e., less than 10 years of service) will receive no subsidy.

- For members, the subsidy range is a minimum of 15% for 10 years of service (i.e., 10 years of service = 15% subsidy), and a maximum of 75% for 30 or more years of service (i.e., 30 or more years of service = 75%; but cannot be greater than the subsidy for an Active Employee).

The subsidy amount for each dependent increases with every year of service for the member beginning at 10 years through 30 or more years.

- For dependents, the subsidy range is a minimum of 15% for a dependent if the member has 10 years of service, and a maximum of 55% if the member has 30 or more years of service (but cannot be greater than the subsidy for an Active Employee's dependent minus 20%).

Years of Service Reporting to SHBP

When a member retires, the applicable state retirement system (ERS or TRS) will provide SHBP information which indicates whether or not a member had five years of service as of January 1, 2012. For members subject to the YOS policy (i.e., did not have five years of service on January 1, 2012), each applicable state retirement system will also provide SHBP the number of years of service that a member had upon their retirement. **Years of service are determined by the state retirement systems and not by SHBP.** For calculation purposes, years of service are only considered from the applicable state retirement system(s) from which a member actually retires.

Additional Information

SHBP rate calculators are available online at shbp.georgia.gov to assist Retirees with estimating their premiums during the 2023 Plan Year. For questions regarding the YOS Policy, please contact SHBP Member Services at 800-610-1863.

The Board of Community Health sets all member premiums by resolution and in accordance with the law and applicable revenue and expense projections. Any subsidy policy adopted by the Board may be changed at any time by Board resolution and does not constitute a contract or promise of any amount of subsidy.

RETIREE OPTION CHANGE PERIOD (ROCP) AND YOUR RESPONSIBILITIES

SHBP Enrollment Portal for the ROCP is available from October 17 at 12:00 a.m. through November 4 at 11:59 p.m. ET

Your Responsibilities as a State Health Benefit Plan (SHBP) Member

- Make your elections online at mySHBPga.adp.com no later than November 4, 2022, by 11:59 p.m. ET.
 - Read and make sure you understand the plan materials posted at shbp.georgia.gov and take the required actions.
 - Update any change in contact information (i.e., address, email, and phone number) by making the correction online at mySHBPga.adp.com at any time during ROCP or throughout the year, or call SHBP Member Services at 800-610-1863 for assistance.
 - Check with your applicable State retirement system to ensure the correct amount of SHBP premiums are being deducted from your retirement annuity and submitted to SHBP, if applicable. If SHBP determines that you have not submitted your premium payment or your premium payment was a partial payment, or your premium exceeds the maximum amount SHBP will deduct from your annuity, SHBP will bill you directly and you should submit payment according to your invoice. If you are not being charged the correct amount, immediately contact SHBP Member Services at 800-610-1863.
 - Pay all required premiums by the due date if they are not automatically deducted from your retirement annuity.
 - Notify SHBP whenever you have a change in covered dependents within 31 days of a Qualifying Event (QE) by visiting the SHBP Enrollment Portal at mySHBPga.adp.com 24 hours a day/7 days per week or contacting SHBP Member Services at 800-610-1863 for assistance.
 - Within 3-6 months of you or your dependent(s) turning age 65, you and your covered dependent(s), as applicable, must enroll in Medicare Part B.
 - Provide your Medicare Part B information directly to SHBP for you and your covered dependent(s), if applicable, at least one month prior to you and your covered dependent(s), if applicable, turning age 65. If you are actively employed, you and your covered dependent age 65 or older, if applicable, must provide your Medicare Part B information directly to SHBP at least one month prior to your retirement. Medicare Part B information may be provided by visiting the SHBP Enrollment Portal at mySHBPga.adp.com 24 hours a day/7 days per week or contacting SHBP Member Services at 800-610-1863 for assistance.
 - Continue to pay Medicare Part B premium to SSA if you are enrolled in an SHBP Medicare Advantage (MA) PPO Plan Option and continue to pay your monthly SHBP coverage premiums to SHBP.
 - **If you and/or your covered dependent(s) age 65 or older do not enroll in an SHBP MA PPO Plan Option, fail to provide the necessary information for SHBP to enroll you in a MA PPO Plan Option, or lose your eligibility to be enrolled in an SHBP MA PPO Plan Option, you will pay the unsubsidized cost of coverage, which is substantially higher.**
 - **Do not enroll in a third-party (non-SHBP) Medicare Advantage Plan, Medicare Part D Plan or Medicare Supplement, or you will lose eligibility for SHBP coverage.**
- During ROCP, you may:**
- Change to any Plan Option and/or vendor for which you are eligible; however, you cannot add dependents to your coverage
 - Drop covered dependents
 - Discontinue SHBP coverage

IMPORTANT NOTES:

- **If you discontinue your SHBP coverage for any reason, you will not be able to re-enroll unless you return to work in a benefits eligible position that offers SHBP benefits.**
- **If you return to work in a benefits-eligible position after retiring, you will need to have health insurance premiums deducted from your paychecks as an active member (i.e., eligible employee of an SHBP Employing Entity). Upon retiring again, you must notify SHBP Member Services at 800-610-1863 within 31 days to request coverage as a retiree or you will no longer have coverage with SHBP.**
- **When you retire, generally, your deductions will be taken from your retirement annuity check. If your retirement annuity check does not cover the cost of your premium, exceeds the maximum amount set yearly that SHBP will deduct from retirement annuities, or if an error occurs that prevents SHBP from receiving a premium deduction to cover your SHBP monthly premium, you will be placed on Direct Pay and should pay any bills that you receive from SHBP to continue your coverage as a retiree. For more information, call SHBP Member Services at 800-610-1863.**
- **The election made during the 2022 ROCP will be the coverage you have for the entire 2023 Plan Year unless you have a QE that allows a change in your coverage.**
- **Enrolling in or discontinuing coverage from individual coverage offered through the Health Insurance Marketplace (exchange) is NOT a Qualifying Event (QE).**

MAKING YOUR HEALTH BENEFIT ELECTION FOR 2023

What If I Do Not Take Any Action?

If SHBP does not receive an election from you through the website or by contacting SHBP Member Services, you have made a decision to take the default coverage below:

- **Currently Enrolled in an SHBP Medicare Advantage Plan Option in 2022:** If you are enrolled in a Medicare Advantage with Prescription Drugs (MAPD) Preferred Provider Organization (PPO) Plan Option in 2022, you will remain in your current Medicare Advantage Plan Option and tier with your current Medical Claims Administrator for the 2023 Plan Year.

NOTE: If you paid a Tobacco Surcharge in 2022, it will continue to apply. If you did not pay a Tobacco Surcharge in 2022, you will not pay one if you take the default coverage. Remember, it is your responsibility to notify SHBP immediately if you and/or your covered dependent(s) no longer qualify for the Tobacco Surcharge. Also, it is your responsibility to contact SHBP if you and/or your covered dependent(s) resumes tobacco use. You must notify SHBP if your answer to the Tobacco Surcharge question changes.

- **Currently Enrolled in an SHBP Commercial (active non-Medicare Advantage) Plan Option in 2022:** If you are enrolled in a Commercial (non-Medicare Advantage Plan) Option in 2022, you will remain in your current Plan Option and tier with your current Medical Claims Administrator in the 2023 Plan Year.
- **Currently Enrolled in TRICARE Supplement in 2022:** If you are enrolled in the TRICARE Supplement in 2022, you will remain enrolled in the TRICARE Supplement for 2023.

How to Make Your 2023 Health Benefit Election Online

Go to the SHBP Enrollment Portal: mySHBPga.adp.com.

Step 1: Log on to the SHBP Enrollment Portal. If you are a first-time user, you must first register using the registration code **SHBP-GA** and set up a password before making your 2023 election. If you are a returning user but have not accessed the website in 45 days, you must first reset your password before making your 2023 election. The homepage displays a ROCP message on the top of the screen indicating the event date for elections to be in effect for the 2023 Plan Year.

NOTE: You will be able to elect a separate Dependent Health Benefit Option if you are in a Split Option. A Split Option is when you and your covered dependents are not eligible for the same plan option and must be enrolled in different plan options. For example, a member enrolled in an SHBP Medicare Advantage plan with a child under age 65 is able to choose a separate Commercial (active non-MA) plan option for their child since they are not eligible to enroll in an SHBP Medicare Advantage plan. If you are not in a Split Option, you will not be able to make a Dependent Health Benefit election which means your covered dependents will be enrolled in the same plan option in which you are enrolled in.

Step 2: Under the Open Enrollment window, **click on Enroll Now** to proceed with your 2023 Plan Year enrollment.

Step 3: If you have not provided a Tobacco Survey in the past you must first answer the Tobacco Survey questions before going to Review Your Benefits.

Step 4: Click on Review Your Info (if applicable). Verify that each dependent has a valid Social Security number (SSN) or other Taxpayer Identification Number (TIN).

NOTE: You can only add a dependent(s) if you have a Qualifying Event (QE).

Step 5: To start your Election Process, **click on Enroll in Benefits tab.**

Step 6: Select Change. After you select Change, the Decision Support box will display.

Step 7: Click on Health Coverage or Dependent Health Coverage to choose your medical claims administrator(s), your plan option(s) and coverage tier(s).

Step 8: Make Your Elections.

NOTE: For existing dependents, confirm that all dependents requiring benefits have a check in the "Include in Coverage" box.

If you choose **NOT** to enroll in a Plan Option you must **click** the radio option for **No Coverage**. A pop-up box will then display **Reason for Waive**. You will need to select the drop-down box which will populate responses. Next, scroll through the options provided and select a reason. The **Reason for Waive** must be populated to move to the next step.

Step 9: Click on Save and Return to All Benefits. “Your Elections” will display on the screen and show the elections you made. You should carefully review your elections.

Step 10: Click I Agree and Confirm Elections. If I Agree and Confirm Elections is NOT clicked, your enrollment process has not been completed, which means you have decided to make no changes for 2023.

Take Advantage of Decision Support Tools to Help You Select the Healthcare Option that Best Meets Your Personal and Financial Needs!

To help you with your enrollment choices, SHBP includes Decision Support Tools as part of the Enrollment Portal. Using them, you will be provided with personalized, easy-to-understand information to assist you in making educated healthcare decisions. Decision Support Tools will help you choose the Plan Option that best meets your personal needs and circumstances.

NOTE: The Medicare Advantage Plan Options and TRICARE Supplement are not supported by Decision Support Tools.

RETIREE OPTION CHANGE PERIOD (ROCP) CHECKLIST

- Verify all desired dependents are listed on the Confirmation Page and have a valid Social Security Number (SSN) or other Taxpayer Identification Number (TIN);
- Verify your coverage tier (you only, you + spouse, you + child(ren) or you + family);
- Confirm that the Plan Option selected shown on the Confirmation Page is correct;
- Confirm you have answered the Tobacco Surcharge question appropriately (applicable to active non-MA plan options only);
- Confirm that you have clicked Finish; and
- Print Confirmation Page and save for your records.

NOTE: You may log on and make elections multiple times. However, the last option confirmed at the close of ROCP will be your option for 2023, unless you experience a Qualifying Event that allows you to make a change.

Flexible Benefits Program

SHBP does not provide Flexible Benefits (e.g., dental, vision). If you are eligible to make benefit elections under the Flexible Benefits Program administered by the Department of Administrative Services (DOAS), please visit GABreeze.ga.gov or call 877-342-7339.

Making Changes During the Plan Year When You Experience a Qualifying Event (QE)

Consider your benefit needs carefully and make the appropriate selection. The election made during the 2022 Retiree Option Change Period (ROCP) will be the coverage you have for the entire 2023 Plan Year, unless you have a Qualifying Event (QE) that allows a change in your coverage. You have 31 days after a QE to add a dependent (90 days to add a newly eligible dependent child). For a complete description of QEs see the Eligibility and Enrollment Provisions document available online at shbp.georgia.gov. You may also contact SHBP Member Services for assistance at 800-610-1863.

QEs include, but are not limited to:

- Birth, adoption of a child, or child due to legal guardianship
- Death of a currently enrolled spouse or enrolled child
- Your spouse's or eligible dependent's loss of eligibility for other group health coverage
- Marriage or divorce
- Medicare eligibility
- Loss of Medicaid eligibility (excluding voluntary discontinuation of coverage/ non-compliance/ failure to make payment)

Eligible Dependents*

The State Health Benefit Plan (SHBP) covers eligible dependents who meet SHBP guidelines. Eligible dependents include:

- Spouse
- Dependent child(ren) including:
 - Natural child
 - Adopted child
 - Stepchild
 - Child due to guardianship

* Visit the *Eligibility and Enrollment Provisions document* at shbp.georgia.gov for more information on continuation of coverage for covered dependents disabled prior to age 26.

How to Declare a Qualifying Event

To declare a Qualifying Event, you must log on to the SHBP Enrollment Portal at mySHBPga.adp.com or contact SHBP Member Services at 800-610-1863.

Note: You can declare a Qualifying Event (QE) in the SHBP Enrollment Portal on, but no earlier than, the date on which the event actually occurs. For example, if your spouse loses coverage with their current employer on November 30, 2022, you cannot declare the QE in the Enrollment Portal until November 30, 2022 (i.e., date of the event). If you do not declare the QE in the Enrollment Portal within 31 days of November 30, 2022 (i.e., date of the event), you will not be able to make your QE in the Enrollment Portal on a later date. When entering the QE in the portal, you must ensure that you enter the correct date of the event as this calculates the effective date of the change resulting from the QE. You may also call SHBP Member Services within 31 days of the QE and a representative will make the necessary changes for you.

If you elect to cover dependents, generally, they will be placed in a pending status until: 1) the required documentation confirming eligibility for coverage is submitted within 45 days after you declare the QE and the documentation is approved, or 2) until the deadline to provide the documentation has passed and the QE is automatically canceled, whichever occurs first.

2023 SHBP MEDICARE ADVANTAGE WITH PRESCRIPTION DRUGS (MAPD) PREFERRED PROVIDER ORGANIZATION (PPO) PLAN OPTIONS

The 2023 SHBP Medicare Advantage (MA) Plan Options include:

- Anthem Blue Cross and Blue Shield MAPD PPO Standard
- Anthem Blue Cross and Blue Shield MAPD PPO Premium
- UnitedHealthcare MAPD PPO Standard
- UnitedHealthcare MAPD PPO Premium

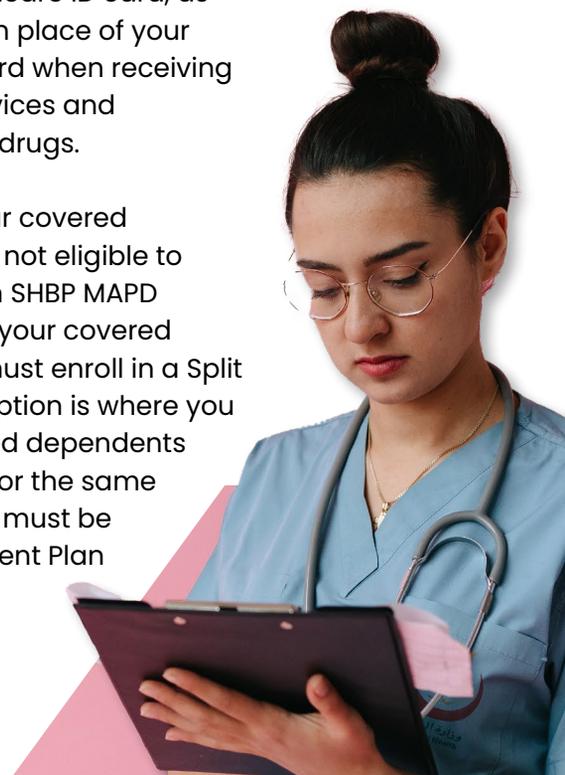

SHBP's MA Plan Options are approved plans by the Centers for Medicare & Medicaid Services (CMS); they are sometimes called Part C Plans. These plans take the place of your original **Medicare Part A – Hospital, Medicare Part B – Medical and Medicare Part D – Prescription Drug benefit**. These plans are very similar to traditional PPO plans. You may receive benefits from in-network and out-of-network providers as long as the provider has not opted out of Medicare, and they accept and bill the MAPD Plans.

SHBP's MA PPO Plan Options also provide contracted networks on a statewide and national basis across the United States. You will have the choice of a MA PPO Standard or Premium plan under Anthem Blue Cross and Blue Shield or UnitedHealthcare. Additionally, you can see non-contracted providers as long as they have not opted out of Medicare, and they accept and bill the MAPD Plans.

- You do not have to select a Primary Care Physician (PCP) or obtain a referral to see a Specialist (SPC).
- Co-pays apply toward the out-of-pocket maximum (except for Part D prescription drugs).

- Unlike traditional PPO plans, there is no difference in your co-pay/co-insurance levels if you see providers who are contracted (in-network) or providers who are not contracted (out-of-network). So, you are not penalized for going to a non-contracted provider that accepts Medicare and the MAPD Plans.
- There will be **no coverage** if you see a provider who does not accept Medicare.
- Enrollment in the MAPD PPO plans is subject to CMS approval and is prospective (retroactive enrollment is generally not allowed).
- **CMS requires a physical street address** and Medicare Beneficiary Identifier (MBI) before approving MAPD PPO coverage.
- Once your enrollment is approved by CMS, CMS will notify the State Health Benefit Plan (SHBP) of the effective date of your coverage.
- You must show your Anthem or UnitedHealthcare ID card, as applicable, in place of your Medicare card when receiving medical services and prescription drugs.

NOTE: When your covered dependent(s) is not eligible to participate in an SHBP MAPD option, you and your covered dependent(s) must enroll in a Split Option. A Split Option is where you and your covered dependents are not eligible for the same plan option and must be enrolled in different Plan Options.

IF YOU OR YOUR COVERED DEPENDENT(S) ARE AGE 65 OR OLDER AND...

THEN...

- You fail to provide your and/or your covered dependent's Part B information directly to SHBP one month prior to you and/or your covered dependent turning Age 65;

You and/or your covered dependent(s) will remain enrolled in an SHBP Commercial (active non-MA) Plan Option (i.e., the Gold, Silver or Bronze HRA; one of the HMOs; or the HDHP) and you will pay 100% of the unsubsidized premium, which is substantially higher than the SHBP Medicare Advantage Plan Options.

- You fail to provide your and/or your covered dependent's Part B information directly to SHBP one month prior to your retirement (if currently working and covered as an active member);

You and/or your covered dependent(s) will remain enrolled in an SHBP Commercial (active non-MA) Plan Option (i.e., the Gold, Silver or Bronze HRA; one of the HMOs; or the HDHP) and you will pay 100% of the unsubsidized premium, which is substantially higher than the SHBP Medicare Advantage Plan Options.

- You or your covered dependent(s) do not have a physical address on file,
- You or your covered dependent(s) enroll in a third-party (non-SHBP) Medicare Advantage Plan, Medicare Part D Plan or Medicare Supplement, or
- You or your covered dependent(s) lose your Medicare Part B for any reason

You and/or your covered dependent's Medicare Advantage with Prescription Drugs (MAPD) coverage under SHBP will be terminated and SHBP will move you to a Commercial (active non-MA) Plan Option (i.e., the Gold, Silver or Bronze HRA; one of the HMOs; or the HDHP) and you will pay 100% of the unsubsidized premium, which is substantially higher than the SHBP Medicare Advantage Plan Options.

- You or your covered dependent(s) are without Medicare Part B

You and/or your covered dependent(s) will remain enrolled in or be enrolled in an SHBP Commercial (active non-MA) Plan Option (i.e., the Gold, Silver or Bronze HRA; one of the HMOs; or the HDHP) and you will pay 100% of the unsubsidized premium, which is substantially higher than the SHBP Medicare Advantage Plan Options;

-OR-

You or your covered dependent(s) may purchase Part B to enroll in a MAPD option; however, you will be responsible for paying the Late Enrollment Penalty if you are enrolling late in Medicare after your Initial Enrollment Period prescribed by CMS for Medicare Parts A and/or B.

Note: Enrollment in an SHBP Medicare Advantage Plan Option is prospective after any of the above circumstances. Until you are enrolled in an SHBP Medicare Advantage Plan Option, you will remain enrolled in an SHBP Commercial (active non-MA) Plan Option and pay 100% of the unsubsidized premium, which is substantially higher than the SHBP Medicare Advantage Plan Options.

Understanding Your Plan Options For 2023

How the Health Reimbursement Arrangement (HRA) with Anthem Blue Cross and Blue Shield (Anthem) Works

The HRA is a Consumer-Driven Health Plan (CDHP) Option that includes a State Health Benefit Plan (SHBP) funded HRA account that provides first-dollar coverage for eligible medical and pharmacy expenses. The HRA Plan Options offer access to a statewide and national network of providers across the United States.

It is important to note that when you go to the doctor, you do not pay a co-pay. Instead, you pay the applicable deductible or co-insurance.

SHBP contributes HRA credits to your HRA account based on the HRA Plan Option and tier in which you are enrolled. If you have unused credits in your HRA account from 2022, those credits will roll over to the next Plan Year as long as you remain enrolled in an SHBP Plan Option, excluding TRICARE Supplement. If you were previously a member of another SHBP Plan Option, all unused 2022 well-being incentive credits will roll over to your 2023 HRA plan, or any other Plan Option, in April 2023.

NOTE: There is a date limitation to how the 2022 rollover credits can be used for reimbursement. Only eligible medical and pharmacy expenses incurred after the rollover in April 2023 will qualify for reimbursement using the 2022 rollover credits. Eligible medical and pharmacy expenses incurred between January and March 2023 are not eligible for reimbursement using 2022 rollover credits, unless you elect to remain in an HRA. If you stay in an HRA, rollover credits will be available by the end of January 2023. However, until your unused 2022 credits roll over, your 2023 HRA credits funded by SHBP and any well-being incentive credits earned in 2023 (and available at the time claims are received), will be used to offset those eligible medical and pharmacy expenses incurred during this time period.

PLAN FEATURES

- There are separate in-network and out-of-network deductibles and out-of-pocket maximums.
- After you meet your annual deductible, you pay a percentage of the cost of your eligible medical expenses, called co-insurance.
- Pharmacy expenses are not subject to the deductible, instead, you pay co-insurance. If you have available HRA credits, these credits will be used to pay your co-insurance at the point of sale. Once the credits in your HRA account are exhausted, you are responsible for paying the co-insurance amount at the point of sale.
- You do not have to obtain a referral to see a Specialist (SPC); however, we encourage you to select a PCP to help coordinate your care.
- The medical and pharmacy out-of-pocket maximums are combined.
- The credits in your HRA account are used to help meet your deductible and your out-of-pocket maximums.
- There are no co-pays.
- Certain drug costs are waived if SHBP is primary and you actively participate in one of the Disease Management (DM) Programs for diabetes, asthma, coronary artery disease, and/or medications for addiction treatment.
- If you enroll in the HRA Plan Option after the first of the year, your SHBP-funded base credits deposited into your HRA account will be prorated. However, your deductible and co-insurance will not be prorated.
- The Plan pays 100% of covered services provided by in-network providers that are properly coded as "preventive care" within the meaning of the Affordable Care Act (ACA).
- Telemedicine/virtual visits for certain medical and behavioral health services are available.

How the High Deductible Health Plan (HDHP) with UnitedHealthcare Works

The HDHP offers in-network and out-of-network benefits and provides access to one of the largest networks of providers statewide and on a national basis across the United States. In addition to the HDHP's low monthly premium, an important benefit of the HDHP is you are able to open a Health Savings Account (HSA) that allows you to save tax deferred money to help offset your plan costs.

For members and their covered spouses enrolled in a UnitedHealthcare Plan Option, please see the 2023 Wellness section for more information about the additional \$250 Reward Card offered through UnitedHealthcare.

The You coverage tier (single) deductible and out-of-pocket maximum will apply to each individual family member regardless of whether you cover more than one dependent or have family coverage. This means if your coverage tier is You + spouse, You + child(ren) or You + family, an individual family member only needs to meet the You coverage tier deductible and out-of-pocket maximum, and his/her eligible medical and pharmacy expenses will be paid regardless of whether the family deductible has been satisfied. Furthermore, once the You coverage tier (single) out-of-pocket maximum has been satisfied for that individual family member, all eligible medical and pharmacy expenses will be paid at 100% for the Plan Year for that family member.

For example:

An individual that is covered under a family coverage tier, regardless of how many family members are in that tier, will have a maximum individual in-network deductible of \$3,500 and a maximum individual in-network out-of-pocket of \$6,450. The individual out-of-network deductible maximum will not exceed \$7,000 and the individual out-of-network out-of-pocket maximum will not exceed \$12,900. Additionally, an individual family member may not contribute more than their own individual deductible or out-of-pocket maximum to the overall family deductible and out-of-pocket maximum.

PLAN FEATURES

- There are separate in-network and out-of-network deductibles and out-of-pocket maximums.
- You pay co-insurance after meeting the deductible for all eligible medical and pharmacy expenses until the out-of-pocket maximum is met.
- You do not have to obtain a referral to see a Specialist (SPC); however, we encourage you to select a PCP to help coordinate your care.
- There are no co-pays.
- The medical and pharmacy out-of-pocket maximums are combined.
- Before you can use well-being incentive credits, members must meet the deductible threshold (\$1,500 individual; \$3,000 other tiers).
- Certain drug costs are waived if SHBP is primary and you actively participate in one of the Disease Management (DM) Programs for diabetes, asthma, coronary artery disease, and/or medications for addiction treatment. Members must satisfy the deductible threshold (\$1,500 individual; \$3,000 other tiers).
- The Plan pays 100% of covered services provided by in-network providers that are properly coded as "preventive care" within the meaning of the Affordable Care Act (ACA).
- Select generics, listed on the Generic Maintenance Drug List, can be obtained for a co-insurance without having to meet the deductible first.
- Telemedicine/virtual visits for certain medical services are available.

How the High Deductible Health Plan (HDHP) with UnitedHealthcare Works (continued)

Health Savings Account (HSA)

An HSA is like a personal savings account with investment options for health care, except it's all tax-free. You may open an HSA with Optum Bank (a subsidiary of UnitedHealthcare), an independent bank, or an independent HSA administrator/custodian.

NOTE: HSA accounts cannot be combined with a Flexible Spending Account (FSA).*

You can open an HSA if you enroll in the State Health Benefit Plan (SHBP) High Deductible Health Plan (HDHP) and do not have other coverage through:

- 1) Your spouse's employer's plan,
- 2) Medicare, or
- 3) Medicaid

HSA Features:

- Must be enrolled in an HDHP
- The HSA cannot be used with an FSA*
- Only the amount of the actual account balance is available for reimbursement
- The employee owns the account and keeps the account
- Balances rollover each plan year
- Investment options are available with a minimum balance and interest accrues on a tax-free basis
- Contributions can start, stop or change anytime
- Distributions cover qualified medical expenses as defined under Section 213(d) of the Internal Revenue Code and certain other expenses
- Tax form 1099 SA and 5498 are sent to employees for filing

**May be used with a general, limited purpose FSA. For more details, please contact your FSA administrator.*

How the Statewide Health Maintenance Organization (HMO) with Anthem Blue Cross and Blue Shield (Anthem) and UnitedHealthcare Works

An HMO allows you to receive covered medical services from in-network providers only (except for emergency care). You are not required to select a Primary Care Physician (PCP) with the Statewide HMO. Verify your provider is in-network before selecting an HMO Plan Option. When using in-network providers, request that they use or refer you to other in-network providers. The HMO offers a statewide and national network of providers across the United States.

For members and their covered spouses enrolled in a UnitedHealthcare Plan Option, please see the 2023 Wellness section for more information about the additional \$250 Reward Card offered through UnitedHealthcare.

PLAN FEATURES

- There are co-pays with this plan for certain services.
- Certain services are subject to a deductible and co-insurance (see the Benefits Comparison Chart).
- You do not have to obtain a referral to see a Specialist (SPC); however, we encourage you to select a PCP to help coordinate your care.
- Coverage is only available when using in-network providers (except for emergency care).
- The Plan pays 100% of covered services provided by in-network providers that are properly coded as "preventive care" within the meaning of the Affordable Care Act (ACA).
- Co-pays count toward your out-of-pocket maximum.
- Co-pays do not count toward your deductible.
- The medical and pharmacy out-of-pocket maximums are combined.
- Certain drug costs are waived if SHBP is primary and you actively participate in one of the Disease Management Programs (DM) for diabetes, asthma, coronary artery disease, and/or medications for addiction treatment.
- Telemedicine/virtual visits are available.

HOW THE REGIONAL HEALTH MAINTENANCE ORGANIZATION (HMO) WITH KAISER PERMANENTE (KP) WORKS

The KP Regional HMO option is available to State Health Benefit Plan (SHBP) members who **live or work** in one of the 27 counties within the Metro Atlanta Service Area listed below.

| Butts | Dawson | Gwinnett | Newton | Walton |

Choose your own Primary Care Physician (PCP) from a network of carefully-selected Kaiser Permanente providers in 25 medical facilities. You won't need a referral for dermatology, behavioral health, ob/gyn, optometry or ophthalmology. For other specialties, your PCP can coordinate any specialty care you might need. To select a PCP, visit my.kp.org/shbp or call Kaiser Permanente Member Services at 855-512-5997.

The KP Regional HMO option pays 100% of covered services provided by in-network providers that are properly coded as "preventive care" within the meaning of the Affordable Care Act (ACA). KP administers the benefits for medical, pharmacy and wellness.

PLAN FEATURES

- This is a co-pay only option.
- There are no deductibles or co-insurance.
- The medical and pharmacy out-of-pocket maximums are combined.
- Telemedicine/virtual visits are available without co-pays.
- You and your covered spouse can each earn a \$500 reward card for the completion of specific KP wellness activities.

About the Following Notices

The following important legal notices are also posted on the State Health Benefit Plan (SHBP) website at shbp.georgia.gov under Plan Documents:

Penalties for Misrepresentation

If an SHBP participant misrepresents eligibility information when applying for coverage during change of coverage or when enrolling in benefits, the SHBP may take adverse action against the participants, including but not limited to terminating coverage (for the participant and his or her dependents) or imposing liability to the SHBP for fraud for indemnification (requiring payment for benefits to which the participant or his or her beneficiaries were not entitled). Penalties may include a lawsuit, which may result in payment of charges to the Plan or criminal prosecution in a court of law.

To avoid enforcement of the penalties, the participant must notify the SHBP immediately if a dependent is no longer eligible for coverage or if the participant has questions or reservations about the eligibility of a dependent. This policy may be enforced to the fullest extent of the law.

Federal Patient Protection and Affordable Care Act Notices Choice of Primary Care Physician

The Plan generally allows the designation of a Primary Care Physician/Provider (PCP). You have the right to designate any PCP who participates in the Claims Administrator's network, and who is available to accept you or your family members. For children, you may also designate a pediatrician as the PCP. For information on how to select a PCP, and for a list of participating PCP's, call the telephone number on the back of your Identification Card.

Access to Obstetrical and Gynecological (OB/GYN) Care

You do not need prior authorization from the Plan or from any other person (including a PCP) in order to obtain access to obstetrical or gynecological care from a health care professional in the Claims Administrator's network who specializes in obstetrics or gynecology. The health care professional, however, may be required to comply with certain procedures, including obtaining prior authorization for certain services, following a pre-approved treatment plan, or procedures for making referrals. For a list of participating health care professionals who specialize in obstetrics or gynecology, call the telephone number on the back of your Identification Card.

HIPAA Special Enrollment Notice

If you decline enrollment for yourself or your Dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your Dependents if you or your Dependents lose eligibility for that other coverage (or if the employer stops contributing towards your or your Dependents' other coverage). However, you must request enrollment within 31 days after your or your Dependents' other coverage ends (or after the employer stops contributing toward the other coverage).

In addition, if you have a new Dependent as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your new Dependents. However, you must request enrollment within thirty-one (31) days after the marriage or adoption, or placement for adoption (or within 90 days for a newly eligible dependent child).

Eligible Covered Persons and Dependents may also enroll under two additional circumstances:

- The Covered Person's or Dependent's Medicaid or Children's Health Insurance Program (CHIP) coverage is terminated as a result of loss of eligibility; or
- The Covered Person or Dependent becomes eligible for a subsidy (State Premium Assistance Program).

NOTE: The Covered Person or Dependent must request Special Enrollment within sixty (60) days of the loss of Medicaid/CHIP or of the eligibility determination. To request Special Enrollment or obtain more information, call SHBP Member Services at 1-800-610-1863 or visit the SHBP Enrollment Portal: mySHBPga.adp.com.

Women's Health and Cancer Rights Act of 1998

The Plan complies with the Women's Health and Cancer Rights Act of 1998. Mastectomy, including reconstructive surgery, is covered the same as other medical and surgical benefits under your Plan Option. Following cancer surgery, the SHBP covers:

- All stages of reconstruction of the breast on which the mastectomy has been performed
- Reconstruction of the other breast to achieve a symmetrical appearance
- Prostheses and mastectomy bras
- Treatment of physical complications of mastectomy, including lymphedema

NOTE: Reconstructive surgery requires prior approval, and all Inpatient admissions require prior notification.

For more detailed information on the mastectomy-related benefits available under your Plan option, call the telephone number on the back of your Identification Card.

Newborns' and Mothers' Health Protection Act of 1996

The Plan complies with the Newborns' and Mothers' Health Protection Act of 1996.

Group health plans and health insurance issuers generally may not, under Federal law, restrict Benefits for any hospital length of stay in connection with childbirth for the mother or newborn to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending Provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours, as applicable). In any case, plans and issuers may not, under Federal law, require that a Provider obtain authorization from the Plan or the insurance issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours, as applicable).

Your employer is prohibited by law from using this information for any purpose other than assisting with Plan enrollment.

“Claims Information” includes information your healthcare providers submit to the Plan. For example, claims information may include medical bills, diagnoses, statements, x-rays or lab test results. It also includes information you may submit or communicate directly to the Plan, such as health questionnaires, biometric screening results, enrollment forms, leave forms, letters

and/or telephone calls. Lastly, it includes information about you that may be created by the Plan. For example, it may include payment statements and/or other financial transactions related to your health care providers.

Your PHI is Protected by HIPAA. Under HIPAA, employees of DCH and employees of outside companies and other vendors hired or contracted either directly or indirectly by DCH to administer the Plan are “Plan Representatives,” and therefore must protect your PHI. These Plan Representatives may only use PHI and share it as allowed by HIPAA, and pursuant to their “Business Associate” agreements with DCH to ensure compliance with HIPAA and DCH requirements.

DCH Must Ensure the Plan Complies with HIPAA. DCH must make sure the Plan complies with all applicable laws, including HIPAA. DCH and/or the Plan must provide this notice, follow its terms and update it as needed. Under HIPAA, Plan Representatives may only use and share PHI as allowed by law. If there is a breach of your PHI, DCH must notify you of the breach.

Plan Representatives Regularly Use and Share your PHI in Order to Administer the Plan. Plan Representatives may verify your eligibility in order to make payments to your health care providers for services rendered. Certain Plan Representatives may work for contracted companies assisting with the administration of the Plan. By law, these Plan Representative companies also must protect your PHI.

HIPAA allows the Plan to use or disclose PHI for treatment, payment, or health care operations. Below are examples of uses and disclosures for treatment, payment and health care operations by Plan Representative Companies and PHI data sharing.

Claims Administrator Companies: Plan Representatives process all medical and drug claims; communicate with the Plan Members and/or their health care providers.

Wellness Program Administrator Companies: Plan Representatives administer Well-Being programs offered under the Plan; and communicate with the Plan Members and/or their health care providers.

Actuarial, Health Care and /or Benefit Consultant Companies: Plan Representatives may have access to PHI in order to conduct financial projections, premium and reserve calculations, and financial impact studies on legislative policy changes affecting the Plan.

State of Georgia Attorney General’s Office, Auditing Companies and Outside Law Firms: Plan Representatives may provide legal, accounting and/or auditing assistance to the Plan.

Information Technology Companies: Plan Representatives maintain and manage information systems that contain PHI.

Enrollment Services Companies: Plan Representatives may provide the enrollment website and/or provide customer service to help Plan Members with enrollment matters.

NOTE: Treatment is not provided by the Plan but we may use or disclose PHI in arranging or approving treatment with providers.

Under HIPAA, all employees of DCH must protect PHI and all employees must receive and comply with DCH HIPAA privacy training. Only those DCH employees designated by DCH as Plan Representatives for the SHBP health care component are allowed to use and share your PHI.

DCH and Plan Representatives May Make Uses or Disclosures Permitted by Law in Special Situations. HIPAA includes a list of special situations when the Plan may use or disclose your PHI without your authorization as permitted by law. The Plan must track these uses or disclosures. Below are some examples of special situations where uses or disclosures for PHI data sharing are permitted by law. These include, but are not limited to, the following:

Compliance with a Law or to Prevent Serious Threats to Health or Safety: The Plan may use or share your PHI in order to comply with a law or to prevent a serious threat to health and safety.

Public Health Activities: The Plan may give PHI to other government agencies that perform public health activities.

Information about Eligibility for the Plan and to Improve Plan Administration: The Plan may give PHI to other government agencies, as applicable, that may provide you or your dependents benefits (such as state retirement systems or other state or federal programs) in order to get information about your or your dependent's eligibility for the Plan, to improve administration of the Plan, or to facilitate your receipt of other benefits.

Research Purposes: Your PHI may be given to researchers for a research project, when the research has been approved by an institutional review board. The institutional review board must review the research project and its rules to ensure the privacy of your information.

Plan Representatives Share Some Payment Information with the Employee. Except as described in this notice, Plan Representatives are allowed to share your PHI only with you and/or with your legal personal representative. However, the Plan may provide limited information to the employee about whether the Plan paid or denied a claim for another family member.

You May Authorize Other Uses of Your PHI. Plan Representatives may not use or share your PHI for any reason that is not described in this notice without a written authorization by you or your legal representative. For example, use of your PHI for marketing purposes or uses or disclosures that would constitute a sale of PHI are illegal without this written authorization. If you give a written authorization, you may revoke it later.

You Have Privacy Rights Related to Plan Enrollment Information and Claims Information that Identifies You.

Right to Inspect and Obtain a Copy of your Information, Right to Ask for a Correction: You have the right to obtain a copy of your PHI that is used to make decisions about you. If you think it is incorrect or incomplete, you may contact the Plan to request a correction.

Right to Ask for a List of Special Uses and Disclosures: You have the right to ask for a list of all special uses and disclosures.

Right to Ask for a Restriction of Uses and Disclosures or for Special Communications: You have the right to ask for added restrictions on uses and disclosures, but the Plan is not required to agree to a requested restriction, except if the disclosure is for the purpose of carrying out payment or health care operations, is not otherwise required by law, and pertains solely to a health care item or service that you or someone else on your behalf has paid in full. You also may ask the Plan to communicate with you at a different address or by an alternative means of communication in order to protect your safety.

You will never be penalized by the Plan or your employer for filing a complaint.

CMS Medicare Part D Creditable Coverage Notice

Important Notice from the Department of Community Health about Your 2023 Prescription Drug Coverage under the State Health Benefit Plan and Medicare for Plan Year: January 1 – December 31, 2023

Please read this notice carefully and keep it where you can find it. This notice has information about your current Prescription Drug coverage with the State Health Benefit Plan (SHBP) and about your options under Medicare's Prescription Drug coverage.

This information can help you decide whether or not you want to join a Medicare drug plan. If you are considering joining, you should compare your current coverage, including which drugs are covered at what cost, with the coverage and costs of the plans offering Medicare Prescription Drug coverage in your area. Information about where you can get help to make decisions about your Prescription Drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's Prescription Drug coverage:

1. Medicare Prescription Drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers Prescription Drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
2. The Department of Community Health has determined that the Prescription Drug coverage offered under SHBP is, on average for all plan participants, expected to pay out as much as standard Medicare Prescription Drug coverage pays and is, therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from October 15th to December 7th. However, if you lose your current creditable Prescription Drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period ("SEP") to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Part D Drug Plan?

If you decide to join a Medicare drug plan, your current SHBP coverage will be affected. For those individuals who elect Part D coverage, coverage under the SHBP MA Plan Option will end for the individual.

IMPORTANT: If you are a retiree and terminate your SHBP coverage, you will not be able to get this SHBP coverage back.

CMS Medicare Part D Creditable Coverage Notice (continued)

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with SHBP and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later.

If you go sixty-three (63) continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare Prescription Drug coverage. In addition, if you don't join within 63 continuous days after your current coverage ends, you may have to wait until the following October to join.

The material in this booklet is for informational purposes only and is not a contract. It is intended only to highlight principal benefits of the State Health Benefit Plan (SHBP) Plan Options. Every effort has been made to be as accurate as possible; however, should there be a difference between this information and the Plan Documents, the Plan Documents govern. For all Plan Options other than the Medicare Advantage (MA) options, the Plan Documents including the SHBP regulations, are the Summary Plan Descriptions, Evidence of Coverage documents and reimbursement guidelines of the vendors. The Plan Documents for MA are the Evidence of Coverage (EOC) and the Rx Certificate of Coverage. It is the responsibility of each member, active and retired, to read the plan documents to fully understand how that option pays benefits. Availability of SHBP options may change based on federal or state law changes or as approved by the Board of Community Health.

Premiums for SHBP Plan Options are established by the DCH Board and may be changed at any time by Board Resolutions subject to advance notice.
